Celebration of Human Values: The Pre-Sai Spiritual Education (Pre-SSE) children will offer a dance on the five universal values.

Love is the Source, Path, and Goal: The SSE boys and girls offer a contemporary play with an epic twist! The play depicts the selflessness and ever-forgiving nature of a mother's love. In our story, Neil, a young man, who is confused and frustrated, confides in a stranger, whose wisdom leads Neil on a path to self-realization. Subsequent events lead Neil to realize that a mother's love is invaluable and that God's love is the Source of all love!

Unity of Faiths: The children will offer multi-faith prayers from all major religions, and conclude with a dance on the Fatherhood of God and the Brotherhood of Man.

enLIGHTening: The names of Edison and Einstein will never be forgotten, but do you know the name Nikola Tesla? The Sai Spiritual Education (SSE) boys offer a play on the real life journey of a brilliant Serbian man who traveled to America to become an inventor. But the road to success is never easy – you can lose your way and chase money, fame, and take up wrong actions!

Sathya Sai Baba has said, *“Earning money cannot be the purpose of education. Whatever talent a person has should be dedicated to the rest of humanity as service to all living beings. Therein lies fulfillment.”* Will spirituality play a role in helping this scientist understand himself, and will Tesla realize that his genius and talents can be utilized to serve all mankind?

Love in Action in Houston: An offering of service activities conducted within the Houston community, sharing His Love with all our brothers and sisters!

Sadhana: Divinity in Duty: When the Indian National Army created a women's division, it was named after the Queen of Jhansi. When many were cowering to the British occupancy, a young woman took a stand, and such was her fearlessness and righteousness, that even a hundred years later, she remains a symbol of bravery and sacrifice.

Sathya Sai Baba has urged all of us to *“offer our work as worship”* and to *“Follow the Master, Face the devil, Fight to the end, and Finish the game,”* but many of us shake in our boots at the thought of doing so! The SSE girls offer a play on the life of a true heroine who wholeheartedly followed SAI – *Sai* first, *All* others next, and *I* last – and sacrificed herself in her selfless duty to her country.

Group Devotional Singing: We offer a garland of sacred songs from all faiths and religions at the Lotus Feet of our beloved Sri Sathya Sai Baba.
